We strongly encourage all members to participate in the election process. We have an excellent board of very dedicated individuals serving as our elected representatives, some of whom have served in this capacity since the formation of the OAAO in 1990. Show your support by submitting your ballot.

The OAAO has been successful in holding the line against animal rights extremist legislation in Ohio for the past 20 years. It is critical that we maintain a strong presence, and for that we need faithful members and a strong Board of individuals dedicated to preserving our rights of animal ownership.
